MEMORANDUM FOR: Deputy Director for Administration

Deputy Director for Operations

SUBJECT

: SSC Subcommittee Report Concerning

Warren Commission Inquiries

1. The SSC Subcommittee, studying the support of intelligence agencies for the Warren Commission, has concluded that there are a number of unanswered questions concerning possible ties between Lee Harvey Oswald and the Castro government in the assassination of President Kennedy. While we entertain a number of reservations about this report we should anticipate some follow-up inquiries from the new Senate intelligence oversight committee. In anticipation of such an inquiry, and by way of preparation for it, has requested the undersigned to initiate a review of the statement of facts set forth in the Subcommittee report as a basis for its conclusions, and of such other factual information as may be relevant to the subject.

2. It is requested that representatives of LA Division, CI Staff, and the Office of Security be designated to work with me on this problem. Please advise me of their names by 30 June.
